Ring with Lapis Lazuli - Hans Przyrembel, circa 1926

The simple, semi cylindrical form of the lapis lazuli, underlined through the simplest possible setting (a thin golden thread, holding the gem in place) emphasizes the qualities of this noble precious stone. Designed in 1926.

L: .78"

Au: 6 g 18 Karat (750)

Lapis Lazusli 20 x 7 mm

Edition of 100
