Gold Ring with Lapis Lazuli Strip - Denmark, circa 1930

A thin blue precious stone, set in white gold, rests on a heavy bright gold ring. The design, convincing in its clearness and simpleness, came from Denmark, around 1930. We also offer the ring (like the original) – in white gold with an onyx strip.

L: .78"

Au: 12g 18 Karat (750)

Lapis-Lazuli: 20x3mm

Edition of 50
