Glass Box with Sterling Silver Lid, 1920's

We found the original in the consulting rooms of a physician, whose practice had been equipped and decorated in the twenties. The designer, as well as the former producer, are unknown to us. The box is ideal to keep cakes, chocolates, snacks etc. We find the simplicity and the function of the box absolutely brilliant.

H: 4.88"
Dia: 5.07"
Ar: 255 g
Edition of 100
